

Civil Defence Mock Drill Conducted at LGBI Airport

Guwahati, 7 May 2025: A comprehensive Civil Defence Mock Drill was conducted at Lokpriya Gopinath Bordoloi International Airport (LGBIA) on 07 May 2025. This drill was part of the ongoing efforts undertaken by the Ministry of Home Affairs, Government of India, to enhance emergency preparedness and inter-agency coordination in the event of a civil emergency.

As part of the exercise, the Airport Rescue and Fire Fighting (ARFF) team at Guwahati Airport participated in a mock drill involving Indian Air Force and other government agencies during the scheduled runway maintenance period from 1330 to 1430 hrs.

Additionally, a mock evacuation exercise of the airport terminal and airside was conducted to simulate emergency response procedures in case of air raid.

This mock drill was designed to further strengthen the ARFF team's ability to respond to complex fire and rescue scenarios in an airport environment.

About Guwahati International Airport Limited (GIAL):

Guwahati International Airport Limited (GIAL) is managed by Adani Airport Holdings Limited (AAHL), a subsidiary of Adani Enterprises, the flagship company of the globally diversified Adani Group. GIAL is a Public-Private Partnership (PPP) venture between AAHL and Airport Authority of India (AAI) in a concession agreement of 50 years. AAHL aims to converge India's biggest cities in a hub and spoke model through the Group's proven strength in developing and managing complex transport and logistics hubs.

Lokpriya Gopinath Bordoloi International Airport, known as Guwahati Airport, is the primary international airport in Northeast India, located in Borjhar, approximately 26 kilometers from the of Guwahati, Assam. Named after the first Chief Minister of Assam, Gopinath Bordoloi, the airport serves as a crucial gateway to the Northeastern states, connecting the region to major domestic and international destinations. Guwahati Airport offers a range of services, including retail outlets, dining options, lounges, and business facilities, ensuring a comfortable experience for travelers.
