

FOD Walkthrough Conducted at Lokpriya Gopinath Bordoloi International Airport, Guwahati

Guwahati, January 9, 2025 - Lokpriya Gopinath Bordoloi International Airport (LGBIA), Guwahati, managed by Adani Airport Holdings Limited (AAHL), a subsidiary of Adani Enterprises, the flagship company of the globally diversified Adani Group, conducted a Foreign Object Debris (FOD) walkthrough at the airside. A FOD walkthrough is part of the Airport's effort to enable safety at LGBIA.

The walkthrough, which involved airside personnel inspecting the airfield and surrounding areas for FOD, was conducted to identify and eliminate any potential hazards that could compromise the safety of aircraft, equipment, and personnel.

During the walkthrough, airport staff inspected the runways, taxiways, and aprons, and removed any debris or objects that could pose a risk to aircraft operations. The exercise was conducted in accordance with the guidelines set by the Directorate General of Civil Aviation (DGCA) India and the International Civil Aviation Organisation (ICAO).

"We are committed to providing a safe and environment for our passengers and staff,"- said an LGBIA spokesperson. "The FOD walkthrough is an important part of our safety protocol, and we will continue to conduct regular inspections to ensure that our airport remains FOD-free."

LGBIA, Guwahati is committed to maintaining the highest standards of safety and security and will continue to conduct regular FOD walkthroughs as part of its ongoing safety program.

The FOD walkthrough is a proactive measure to prevent accidents, ensure compliance with international safety standards, whilst imbuing a safety culture among all stakeholders. By conducting regular inspections, the airport can identify and mitigate potential hazards, reducing the risk of damage to aircraft and equipment, and ensuring the safety of all users of the airport.

About Guwahati International Airport Limited (GIAL):

Guwahati International Airport Limited (GIAL) is managed by Adani Airport Holdings Limited (AAHL), a subsidiary of Adani Enterprises, the flagship company of the globally diversified Adani Group. GIAL is a Public-Private Partnership (PPP) venture between AAHL and Airport Authority of India (AAI) in a concession agreement of 50 years. AAHL aims to converge India's biggest cities in a hub and spoke model through the Group's proven strength in developing and managing complex transport and logistics hubs.

Lokpriya Gopinath Bordoloi International Airport, known as Guwahati Airport, is the primary international airport in Northeast India, located in Borjhar, approximately 26 kilometres from the of Guwahati, Assam. Named after the first Chief Minister of Assam, Gopinath Bordoloi, the airport serves as a crucial gateway to the Northeastern states, connecting the region to major domestic and international destinations. Guwahati Airport offers a range of services, including retail outlets, dining options, lounges, and business facilities, ensuring a comfortable experience for travelers.
